

Sustaining Your Statewide Website Resource Sheet

*Prepared by Becky Levine, Matthew Burnett and Liz Keith
For the 2006 TIG Conference*

- ***Ensuring the Long Term Viability of the Statewide Website Component of the Access to Justice System*** [Final Report of Website Sustainability Project]

<http://www.lstech.org/members/grange/news/sustainFinalReport.html>

Issued 9/2005, this report is the culmination of 18 months of research and analysis on statewide website sustainability. It includes 28 findings and 60 recommendations targeted to ten groups of stakeholders for sustaining statewide websites. Also includes extensive list of resources from within and outside of the legal services community.

- ***Statewide website Fundraising ideas from other states***

A compilation of funding sources and ideas from across the statewide website network.
